

CARGO AND CABIN

DOVE OF PEACE SKIPPER NELSON THE ARMY MULE ABIDES WITH LOGAN NOW WRITING A BOOK COMES TO TOWN

But little time will be lost in the removal of a small amount of personal effects, quartermaster supplies and general cargo from the United States army transport Logan during the stay of that vessel at this port. The Logan came to a berth at Alakea wharf at noon today, the voyage from Manila to the islands having been completed without startling incident.

It was not until the troopship with her hundreds of militant passengers aboard came in range of the Hawaiian islands that some rather nasty weather was encountered. For the past two days the vessel steamed through rough seas and southerly winds.

The Logan is to be dispatched for San Francisco at 6 o'clock tomorrow morning.

There is not a great deal of available cabin or intermediate passenger accommodation left in the vessel. En route to San Francisco are 77 cabin and 48 second class travelers. Practically all branches of the military and naval service as well as a scattering from Philippine insular government bureaus are represented on board.

Two cabin and nine second class passengers left the Logan at Honolulu this morning. Shortly after leaving Nagasaki, the officers in the vessel succeeded in rounding up three Filipino stowaways who claimed that they wanted to join their friends or relatives on island plantations.

H. C. Benson, lieutenant colonel of the general staff, is ranking officer on board the Logan.

Captain F. W. Fuger of the Thirtieth Infantry is in command of troops. Captain Fuger is accompanied by his wife and three children.

The situation in southern Japan is reported as quiet by Logan officers when seen this morning. No outward demonstration of any kind was noted while the Logan remained at Nagasaki, taking on 2000 tons coal.

Twenty-four military prisoners are being transported to federal prisons on the mainland. In the hospital 36 are receiving medical attention.

The grand total of troops en route from Manila to San Francisco number 212.

Joining the vessel at Nagasaki were 25 cabin, one second class passenger, Brigadier General Frederick Fungson and staff were at the wharf today to extend greeting to Lieut.-Col. H. B. Benson, who is proceeding through to the coast.

Annie Johnson for Quick Dispatch

Immediately following the discharge of a quantity of general cargo and merchandise at Honolulu from the schooner Annie Johnson, that vessel is understood to be supplied with a shipment of sugar. The schooner is scheduled to return to San Francisco without much delay.

Enterprise on the Way to Hilo

The Matsun Navigation steamer Enterprise is now en route from San Francisco to Hilo, having left the coast on May 31 with a quantity of general merchandise for Big Island importers. The Enterprise should reach destination on or about June 8.

Hyades Making Good Time

The Matsun Navigation freighter Hyades, with much freight from San Francisco by the way of Sound ports, is nearing the port and due to take a berth at the railway wharf tomorrow morning. The Hyades' freight includes 1800 tons for Honolulu, 1335 tons for Hilo, 600 tons for Kahului, 245 tons for Port Allen and 140 tons for Kapaeha. The vessel is believed to be ready for dispatch for island ports on Thursday evening. The date for departure from Hilo for the coast has been set for June 12.

Kauai Liners Depart

Taking general cargo and plantation supplies the Inter-Island steamers Noeua and Hall sailed for Kauai ports last evening. The Noeua carried cargo only. The Hall was discharged of 5090 sacks of sugar before dispatch for the Garden Island.

Mexican to Proceed to Hilo

The American-Hawaiian freighter Mexican had about completed taking on sugar at Kahului yesterday and was slated to proceed to Hilo, there to finish sugar destined for Salina Cruz and thence to the east coast of the United States. Rain served to delay the loading of cargo to some extent. The Mexican is scheduled to leave the islands with approximately 12,000 tons of the product.

Mauna Kea Brought Many

The Inter-Island flagship Mauna Kea arrived at her wharf shortly after 8 o'clock this morning, her large list of passengers greeted by a gentle rainfall. The vessel sailed from Hilo a half hour late, pending the arrival of the mail. At Lahaina, a score or more passengers joined the vessel. A pleasant trip characterized the round trip of the well known liner. The Mauna Kea is to be dispatched for Hilo and way ports at 10 o'clock tomorrow morning.

Objects to News Report as Hurting His Client

C. H. Young, a Korean, will get a jury trial as the result of the morning paper's account of his trouble. Young was charged with selling a phonograph and then having it removed from the home of his customer, and when the case came up in police court today Attorney A. L. C. Atkinson, representing Young, vigorously objected to the morning paper's account of the happening, which was headed "Scheme Lands Music Merchant in Jail."

"The man is being found guilty before the case is tried," said Atkinson and demanded a jury trial. He also charged that someone around the police station had given an unfair version of the story to the morning paper, declaring that when the case first came up in police court yesterday, the morning paper had no reporter present.
